

Moffett Industrial Gas

Delivering **Confidence**

Moffett Industrial Gas

With dangerous and flammable containers to transport, you need the right kind of equipment. With a MOFFETT Truck-mounted Forklift, you are guaranteed that your gas stillage will be handled with the utmost safety and efficiency.

The MOFFETT is fitted with a spark arrester to prevent sparks; there is an isolation switch to allow the driver to turn off the electrics, and there is an insulated earth to increase safety.

Industrial Gas

For more than 40 years, Moffett has been manufacturing Truck-mounted Forklifts, a load handling solution that has helped transform the way materials are distributed across the globe.

MOFFETT Truck-mounted Forklifts are renowned for their excellent performance on difficult terrain, confined spaces, steep gradients or debris covered areas.

On site, your MOFFETT Truck-mounted Forklift is ready to get to work in less than a minute and can be carried on the back of almost any truck or trailer with no loss of load space.

Having a MOFFETT Truck-mounted Forklift means you can have faster, safer and more cost effective deliveries.

With its high lift capacity, robust design and a wide range of attachments such as clamps, different fork options and positioners, the MOFFETT Truck-mounted Forklift easily handles industrial gas containers on site or in the yard.

- No loss of load space
- No waiting for a customer's or supplier's forklift
- Flexibility and control of delivery schedules
- Higher productivity
- Creates time to make more deliveries
- Delivery where needed, precise load positioning
- Reduce product damage
- Safe and easy to use
- A proven competitive advantage
