

# Hiab Moffett Truck-Mounted forklifts

Delivering Liquefied Petroleum Gas (LPG)

# The Concept

## Ready in Less than One Minute

Truck-mounted forklifts on the back of LPG transport vehicles are a familiar sight. Light enough to be carried on almost any truck or trailer type, they are dismantled / mounted in less than one minute, ready to load/offload gas bottles and stillages.

## Improved Operator Safety & Product Protection

Eliminating dangerous and inefficient manual handling, the Truck-mounted forklift, operated by the truck driver, takes the delivery to its final location in no time.

## More Deliveries in Less Time

No matter how confined the area of operation, the load is moved safely and quickly to its very final point of destination.

## Great Customer Service

Offering maximum product protection, faster turnaround times and the capability to pick and choose the load order as required, the Truck-mounted forklift allows deliveries at any time of the day, as it grants full independence from local loading/offloading equipment.

## Why Hiab Moffett?

Hiab Moffett Truck-mounted forklifts can be found with LPG suppliers, providers and transport specialists worldwide. Unrivalled quality, outstanding performance and more than 40 years of experience and ongoing product development make Hiab Moffett the preferred choice for the movement of LPG.

You can trust our reputation and references, reflected in a long list of convinced Hiab Moffett users, the largest LPG providers as well as small/medium suppliers.

# Hiab Moffett Truck-mounted forklifts - Delivering LPG Faster & More Safely

The applications of Liquefied Petroleum Gas are endless and with increased environmental awareness the industrial and domestic usage of Butane and Propane has increased consistently over the past years. Hiab Moffett Truck-mounted forklifts are a recognised market leader, when it comes to the safe handling of potentially dangerous and flammable containers.

## Safety

- > Maximum Visibility 360 degrees

## Performance

- > Low unladen weight
- > Compact and highly manoeuvrable
- > Excellent gradeability
- > Smooth Driving
- > Easy to use and operator friendly
- > One-side off/onloading
- > Long service intervals

**Eliminate manual handling and deliver more products in less time, with fewer vehicles, while improving customer service.**

### Integrating within Your Fleet

Hiab Moffett Truck-mounted forklifts seamlessly integrate with your existing fleet. We offer a range of mounting kit systems to match different truck and trailer types. Use the Truck-mounted forklift(s) on one or on several trucks, and if not needed, the Hiab Moffett can be used for any work that needs to be done in the yard or in the depot.

### Load Handling with a Competitive Edge

- > Reduce Product Damage
- > Eliminate Manual Handling
- > No more waiting time on site
- > Delivery at any time
- > Negotiate within confined areas and busy sites

# Hiab Moffett Truck-mounted forklifts

## Delivering Excellence

Engineering expertise and leading manufacturing technology make the Hiab Moffett the most reliable Truck-mounted forklift. We guarantee quality and durability you can rely on every day.

Hiab Moffett Truck-mounted forklifts are designed with premium components and assembled by a skilled and dedicated workforce. This together with Cargotec's ongoing investment in products and people, ensures we deliver the world's finest Truck-mounted forklift.

## Delivering Confidence

Our commitment to excellence goes beyond technical innovation. With our unparalleled after-sales service, fast spare parts deliveries, expert machine servicing and global dealer network, Cargotec is committed to delivering confidence through our Total Customer Care Package.

With a Hiab Moffett Truck-mounted forklift you are guaranteed the benefits of a strong network and personal and efficient service throughout the entire life cycle of your machine.

## Book a Demonstration
